V. POLICY:

It is the Deputy Secretary's policy that the only permissible relationship between current or former youth and any employees, contract providers, volunteers, and/or interns is a professional, personally detached association within the scope of continued professional support to the youth and family. Personal associations are prohibited. Unit Heads are responsible for ensuring that each employee, contract provider, volunteer, intern, and youth and their families under their purview is made aware of the contents of this policy and its attachments.

VI. PROCEDURES:

A. New Employees of Secure Care Facilities and Central Office

1. Prior to being interviewed, candidates being considered for YS employment shall complete a copy of the "Relatives Employed /

Youth Association Disclosure Form” [see Attachment A.2.62 (a)], providing information regarding the candidate’s personal associations with any current or former youth and/or their families. These forms shall be provided to the interviewer(s) before the interview begins. The Unit Head shall determine whether the personal association would be a detriment to security or to the safety of employees, in which case the candidate shall not be selected for employment.

2. Any candidate who fails to report a personal association and is subsequently hired may be discharged upon discovery of the association.
3. If there are any questionable issues regarding a candidate’s personal associations, the candidate shall not be scheduled for pre-service training until the matter has been resolved to the satisfaction of the Unit Head, and the resolution documented and attached to the “Relatives Employed/Youth Association Disclosure Form”.

B. Current Employees of Secure Care Facilities and Central Office

1. These employees have a continuing obligation to immediately report youth associations to the Unit Head. Considering the flow of youth in and out of the secure care facilities, it is possible that an employee’s associations could change often. If these employees become aware that they or a member of their immediate family have a personal association with a current or former youth and/or their families, they must immediately report this information in writing to the Unit Head. The Unit Head shall relay that information to the Director of Investigative Services (IS) within 24 hours of receipt of the information.
2. These employees shall complete the “Relatives Employed/Youth Association Disclosure Form” annually as part of their Performance Evaluation meeting. If Relatives / associations are disclosed, the supervisor must immediately forward the information to the Unit Head, the appropriate Regional Director, and the Director of IS.

C. Community Based Services (CBS)

Community Based Services applicants and current employees shall complete and annually update only the "Relatives Employed" portion of the "Relatives Employed/Youth Association Disclosure Form". This policy recognizes that the nature of community supervision requires that staff have professional relationships with many youth, their friends, and families in the community.

VII. Prohibited Acts by Employees

- A. Employees are forbidden to provide home or cell telephone numbers, addresses or other personal information to current or former youth, and/or their families, regarding themselves or other employees, without the written approval of the Unit Head. Approval by the Unit Head must be copied to the appropriate Regional Director and the Director of IS immediately.

CBS PPO/J's, Program Specialists, and Social Workers may in the course of their professional duties provide clients and parents/guardians with their home and/or cell phone numbers. Discretion should be used when providing personal numbers. These acts shall be noted in JETS, clearly delineating the reason for the authorization, within five (5) working days.

It should be noted that reimbursements for calls received from a youth or parent/guardian shall not be reimbursed by OJJ.

- B. Employees are forbidden to give or accept gifts, articles of any sort, special favors or anything of value, to or from current youth, former youth, and/or their families.
- C. Any attempt on the part of current or former youth and/or their families, to visit, write or otherwise communicate or send gifts or items to an employee or the employee's family must be immediately reported in writing to the Unit Head. Copies of all such reports shall be immediately forwarded to the appropriate Regional Director and the Director of IS. This policy recognizes that these

attempted communications are not always indicative of an improper relationship, but the security of the unit or office requires that this information be reported. Documentation of all attempts to communicate and the reporting of such to the Unit Head shall be documented in JETS within five (5) working days.

- D. Other than in the regular line of duty relating to a youth, employees shall not transport any written material, information, clothing, food or other articles or devices, etc., to or from any youth in a secure or non-secure care facility or under supervision with CBS. Violations of this provision shall be dealt with in accordance with YS Policy A.2.1 (b), Employee Rulebook, ***RULE# 9: RELATIONSHIPS WITH YOUTH AND THEIR FAMILIES.***
- E. Employees wishing to establish, encourage or maintain a support role with current or former youth and/or their families shall submit a written request to the Unit Head. The following guidelines shall be adhered to:
 - 1. Requests shall specify the type of association the employee wishes to establish, the duration, and names of the current or former youth, and/or family members.
 - 2. The Unit Head shall approve or deny the request in writing, with a copy of the decision immediately forwarded to the appropriate Regional Director and the Director of IS.
 - 3. The employee must immediately provide an updated written report to the Unit Head if there is any change in the association or intent to change the association by either party. The Unit Head shall immediately forward a copy of the update to the appropriate Regional Director and the Director of IS. Written reports to the Unit Head shall be documented in JETS within five (5) working days.
 - 4. An employee who fails to report a personal association may be disciplined, up to and including termination.
- G. Allegations of inappropriate relationships and allegations of disregard of this policy shall be investigated by IS.

- H. Employees may also report observations or suspicions of prohibited acts/prohibited relationships by employees by contacting the Employee Hotline at 1-800-626-1430.

Signed confirmations shall be forwarded to Public Safety Services Human Resources to be maintained in the employee’s personnel file.
- C. All contract providers, volunteers, and interns shall receive pre-service orientation and annual training on the contents of this policy.
